**Request to Correct Error in Small Entity Status and Charge Additional Fees**

Honorable Commissioner:

The issue fee under 37 CFR 1.18(a) for the above referenced application was paid on July 28, 2006 as a small entity. It has come to our attention that applicant may not have been qualified as a small entity at the time of that payment, and applicant desires hereby to complete the payment of a large entity issue fee.

Under 37 CFR 1.18(a), the issue fee for a small entity is \$700, and the issue fee otherwise is \$1400 both when the issue fee was paid and at the time of submission of this paper. Authorization is therefore given to charge the difference of \$700, and any applicable or necessary fees or credit any excess payments to Deposit Account No. 50-0581.

Under 37 CFR 1.28(c)(2)(ii), an itemization of the deficiency payment is required. The only fee being corrected by this paper is the issue fee under 37 CFR 1.18(a) paid on the date and in the amount noted above.

Respectfully submitted this 2 day of August, 2006.
